

## *Finetine®*

*Effective Aeration - where you need it - when you need it*

*The AerWay® deep Finetine® is a 6" forged tine specifically developed for use on golf course greens, tees and all fine turf areas.*

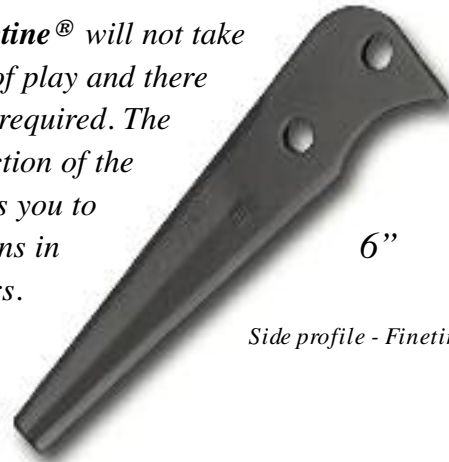

*Use of the Finetine® is fast and effective. In combination with the Greens Express Roller, the variable depth feature allows you to fine tune your maintenance program.*

*Advanced Aeration Systems*

*The AerWay® deep Finetine® relieves surface compaction and penetrates up to 6 inches*

*Using the **Finetine®** will not take your greens out of play and there is no clean up required. The fast venting action of the **Finetine®** allows you to aerate 18 greens in about 3 hours.*

6"

*Side profile - Finetine®*

*The **Finetine®** is a member of the AerWay® family of products. AerWay® manufactures a range of tines under the names **Finetine®**, **Sportstine®** and **Shattertine®**, each designed for a specific use. Contact AerWay® for information on the product specifically suited for your conditions.*
